

NAPA COUNTY GRAND JURY REPORT 1963

MOSQUITO ABATEMENT DISTRICT

On December 26, 1962 this committee met with Mr. Rusconi, Superintendent of the Napa County Mosquito Abatement District.

The District is governed by a five-man Board of Trustees and employs three people. The District objective, as the name implies, is to reduce the source of mosquito breeding in the County of Napa. Work sheets are maintained on a daily basis. The Office and warehouse is located on the grounds of the Napa Sanitation District on Imola Avenue. The equipment, buildings and office are clean and appear to be well kept.

The District Audit for 1961-62 was conducted by G.J. & A.J. Seiberlich Certified Public Accountants of Napa, California. This audit was studied by this committee and found to be satisfactory.

No recommendation can be made by this committee for the Mosquito Abatement District at this time.

Respectfully submitted,
